

**Figure 4.5**

## **Student Plan for Inquiry Project**

---

Name(s):

Date:

Topic to be investigated	
Initial research question	
What information do you plan to collect to answer the question?	
How do you plan to conduct the research (through websites, books, articles, interviews, experiments)?	
What is your proposed timeline for completing the project by the due date?	
How will you present your findings to your group (or the class)? (Example: Prezi, experiment, demonstration, video, text)
